EASTER EGGS Thank you very much to everyone who kindly donated Easter Eggs, we collected 90 this year. As Social Workers and Health Visitors are no longer allowed to distribute food items all the eggs were taken to Crawley Open House who were delighted to receive them. Most were distributed at their Mother and Toddler group, for Homeless families and refugees, and the remainder to clients at the hostel and day centre. What a simple but worthwhile way to show God's love at Easter-time. *Jayne.*

PASTORAL VISITORS Please collect your magazines today

Charles and Frances Huntley would like to say a big thank you to all those who helped in any way when Charles was taken ill on Sunday. For the phone calls we've received since and not least your prayers. Thank you all for your kindness and God Bless you as He has us. Frances & Charles.

School Sponsorship Tanzania

As many of you know, last year Sarah spent time working on a project in a rural village, Nkinikano, Tanzania. While there she was involved in the village church and was loved and welcomed into their fellowship.

The pastor has asked if we would be able to financially support two of his children for their secondary school education. We realise that many of you already support children through various channels, but if this is something you have been thinking about and would like to know more, please speak to Ged or Jayne Crossman asap.
