HOLIDAY CLUB We would really like to run this again this summer but we need a leader; someone who is willing to be there all week and who has the gift of leading from the front in a confident/children related way. Is that person you? The club would run from Tuesday 26th to Saturday 30th August; every morning from 10am-12.30pm. Could you commit to the whole week? Please contact John Starling if you need to know more or think you can help.

This is the campaign, you've probably heard of, working to combat the fastest growing global crime – the buying and selling of people around the world. Slavery is not a thing of the past. Last year we celebrated 200 years since the abolition of the slave trade. What so many people are totally oblivious to is that slavery, nowadays termed *trafficking*, is a huge issue.

Each year 1.2 million children are trafficked, ending up in prostitution, begging, forced labour, military service, domestic service, forced illegal adoption, forced marriage etc.

The abolition of the Slave Trade Act (1807) was achieved by a mass movement made up of those who were enslaved, anti-slavery campaigners and **ordinary members of the public** who stood up for what was right despite its unpopularity.

In February a petition is being presented to the United Nations in Vienna to address this issue. It aims to expose people trafficking and lead governments to action, in doing so potentially changing the lives of millions of people. This is where you come in.

The aim is to get **one million signatures** on this petition. Public opinion helped to swing politics and change the law 200 years ago, let's do the same again now.

Please go to www.stophetraffik.org and sign the petition today. Thank you.
