PRAYING FOR THE LIFE OF THE CHURCH

This Christmas we will be raising money for four charities and I would like to focus on one of them each week in Advent. 5000 children will die today because they don't have clean and safe water supplies. Please pray for Tearfund's 'Make Life Flow' campaign and look at their website for more details on how to support them through prayer. As we approach the Christmas market, please pray for those people on the New Build and Fun raising teams for encouragement, inspiration and guidance in the weeks and months to come. *Simon M*

"COLOURS OF CHRISTMAS" - Colours can be strong images of eternal truths. For this Advent season we will be using some of our worship flags to highlight six such truths of our faith. Each week one flag will be part of the Advent Candle lighting call to worship at the beginning of the morning services, and the theme represented by that colour will be the main focus of the service itself. This week it's brown for repentance. There are leaflets available in the Cafe which give a little more explanation of each weeks theme - please take one. *Geoff*
