

NEW TO TRINITY?

WORSHIP

9.00am: Our earlier service has a traditional format, which features a range of organ led hymns and Bible based teaching.

10.45am: Our mid-morning service features a mix of band led modern songs and Bible based teaching.

Evening Worship: We offer a range of different types of worship during our 6.30 evening services; some are quiet and prayer led, some engage in group discussions around teaching, others are led by our cell groups and still others are opportunities to dig deeper into a specific topic. Please speak to a member of our team for further information.

Mid-week worship: We offer further regular services on a Wednesday. At 11.30am there is a Communion service that takes a quiet, contemplative approach to worship. At 8.00pm there is a chance to praise God through sung worship and prayer led by members of our band with well known, modern songs.

Please feel free to respond to our worship in a way that you feel comfortable with. Stand, dance, wave a flag or sit, relax and listen to what God has to say!
